Taxation summary

Tax on income and gains

The total tax charge for the year, made up of both underlying tax and non-underlying tax, is £0.7 million.

The Group is a UK Real Estate Investment Trust (REIT) and therefore is exempt from UK corporation tax on income and gains arising from its qualifying property rental business provided that certain REIT conditions are met on a continuing basis. The Group satisfied all REIT requirements needed to maintain REIT status throughout 2021.

Income and gains arising from non-qualifying REIT activities (e.g. trading operations) are subject to UK corporation tax at 19%.

A disposal of the Group's trading properties at their market value, before utilisation of carried forward losses, would result in a UK corporation tax charge to the Group of nil (19% of £0.1 million).

Lillie Square joint venture

Continuing to progress sales

- 25 units completed during the year representing £47 million
- Includes bulk sale of 19 units for £38 million which completed in December 2021
